

PAW WATCH

Paw Watch is a crime prevention initiative that encourages dog walkers to take an active role in preventing crime. The objectives of this program are to reinforce police-community partnership, improve suspicious circumstance reporting and encourage responsible dog ownership.

The Farmington Hills Police Department is inviting resident dog owners to become the “eyes and ears” of the community by joining Paw Watch. Residents are provided free training in methods to observe and report suspicious criminal activity, which helps keep our community safe.

INTERESTED IN JOINING THE PAW WATCH TEAM?

Sign-up for a **FREE** training class with the Farmington Hills Police Department Crime Prevention Section. This class will focus on providing residents with helpful information on how to effectively observe and report criminal and suspicious activity.
